

Nov 23rd 2020 Earth Sciences

Program Name

Green Jobs in Natural Resources

Resource Provider

Government of Canada

Description

The Government of Canada has announced \$15.8 million to create green jobs and training opportunities for Canadian youth in the fields of science, technology, engineering and math (STEM) in the energy, forestry, mining, earth sciences and clean technology sectors. To be eligible to receive funding through this program to hire an intern, employers or hiring organizations can be: - Legal entities validly incorporated or registered in Canada, including for-profit and not-for-profit organizations - Indigenous organizations and groups, or - Provincial, territorial, regional and municipal governments and their departments and agencies where applicable. Applications are now available.
