### Rembos Inc. Cainsville

With planned business expansion, Rembos Inc. required additional employees.

The Brant Transit Option for Employers Program helped Rembos Inc. meet staffing needs by transporting employees from downtown Brantford to their location in Cainsville.

*"The County of Brant's partnership in this endeavor has opened up great new opportunities for our small, but quickly growing business. Where staffing had been a major challenge due to a lack of public transportation options, Rembos is now able to attract and retain high numbers of skilled employees. Our staff is what makes our business successful and we are so grateful for the County's continuous support!"*
